General Information

The Camp: Catalina Island Camps is located at Howlands Landing on the California side of Santa Catalina Island, 22 miles from the port of Los Angeles. Our private pier extends into the cove providing the focal point for the water activities. Several hundred feet of beach on either side of the pier provide access to the ocean for swimming, skin diving, sailing and kayaking. Above the beach, several level acres dotted with trees provide the setting for living quarters and land activities.

Food Service: Food quality, quantity and service are an important part of camp. There is an entrée and meatless option at each meal, along with fruit at all meals and a salad bar at lunch and dinner.

Camp Store: The Camp Store stocks soda, candy, snacks, sunscreen, lip balm and other sundries, as well as souvenir T-Shirts. Each family member will receive a Family Camp T-shirt. The store will be open each day during Family Camp. The store operates on a credit card deposit for each family with billing at the end of Family Camp.

Child Care: All children are welcome at Family Camp. We encourage children to participate in activities with their parents. However, during some activities, special activities for children will be available to allow parents a chance to participate in Family Camp program. There is no additional charge for these services.
